

## Tinaroo EEC Year 6 Leadership Extension Camps

### Important details for Principals or Organising Teachers

This year Tinaroo EEC will conduct a three-day (2 nights) Year 6 Leadership Extension Camp for student leaders in your cluster.

This camp, in previous years, has been very successful and has allowed young school leaders to improve their skills and provides the opportunity to interact and share ideas with students from other schools.

#### Arrangements for 2024 include:

Both North and South Camps will be hosted at the Barron River Campus on the same dates.

TEEC will again liaise with schools to provide appropriate teaching staff to assist with the camp. TRS will be paid to cover only these teachers.

This opportunity is designed to upskill teachers within the cluster and offers will be rotated yearly.

Schools are welcome to send extra staff to support their students on the understanding that they need to cover their own release arrangements.

Any teachers that attend for the duration of the camp will receive 15 hrs PD around the 7 Australian Professional Standards for Teachers.

**Target Group:** Year 6 (extension) - School captains, Vice captains. (*Max: of 4 students per school, 2 for small schools*)

**Venue:** Tinaroo Environmental Education Centre.

**Cost:** \$320 per student. This includes Camp Fees, Catering, Leadership Shirt, Rewards Day and TRS component per child. Costs are to be paid by the School. This Centre will invoice your school for the total amount after the camp.

**Please Note:** The focus of the camp will be on developing leadership skills through a variety of indoor classroom work and outdoor challenges. There will be a strong focus on communication skills.

**Principal's involvement:** The principal or teacher working with the student leaders in your school is encouraged to attend a presentation and planning session at 9:30am on the third morning. After a presentation of the skills covered on camp and a short forum to share leadership experiences, the Principal/teacher develops a Leadership Plan with the leaders for the year. Principals are also invited to attend the presentations on the Rewards Day at the end of year.

Please note that principals and teachers are always welcome to visit anytime during the camp.

1. Students bring their Consent Forms with them to camp.
