Supportive Learning Environment
The five keys to success in the 'You Can Do It' program underpin the social climate of our centre. Explicit expectations of behaviour, work ethic and teamwork are articulated clearly to all visiting students. Teaching staff provide ongoing encouragement and feedback, ensuring visiting students feel positive and safe about their visit.

Information and Communication Technologies (ICTs)
ICTs are used in a number of ways at the Centre to support learning:
- as a teaching tool
- to collect data, video/still images, sound and location
- for communication
- recording observations of student learning
- reflection on personal learning

Resources include:
- Interactive Whiteboard • Go-Pro camera • Microscopes
- Laptops • GPS • Digital Cameras • iPhones • iPads
