

TEEC Camp with a Focus on: Biodiversity

Pre-visit Focus

On Camp

Post-visit Focus

Focus Questions

- How diverse is this ecosystem?
- What upsets the balance of an ecosystem?
- How can we preserve and encourage the natural biodiversity of our planet?

Activities that could be targeted on Camp

- Sustainability - what is it?
- Scoopnets
- Plant Propagation
- Bushranger's Lookout
- Sustainable Fishing
- Dragnet Fishing
- Bat Talk
- The Biodiversity Web
- Redclaw Fishing
- Camera Capture
- Curri Curri Hike

Literacy Demands

Numeracy Demands

Prepare a Powerpoint that illustrates the enormous impact mankind has on biodiversity.

Present a persuasive argument that focuses on improving the biodiversity of your school.

Design posters to promote the care of animal and plant life.

Survey the bird-life or insects found in a particular garden or area of your school.

Interpret and graph the results of your survey.
