Camping Area / Ablution Block / Kitchen / Classroom area

All visitors are expected to comply with the following rules:

1. Dogs and other domestic animals are **not** allowed on the premises.
2. Cars must be parked in car park only, not in camping areas.
3. Redclaw trapping in bay in front of Centre is **prohibited**, as a monitoring program is conducted from Centre.
4. Skiing or Tobogganing in Bay is **prohibited**, as the bay is a restricted 6 knot area.
5. Food scraps must be buried in the compost heap - Scraps may be kept in a sealable bucket until buried.
6. Recycling Bins must be used - Non compliance of this rule will result in a \$50 recycling fee.
7. Except for very large groups, it is better for dishwashing to be done by hand rather than with the dishwasher.
8. All equipment must be put away before departure - Lost equipment must be paid for.
9. TEECs canoes and tents **are not** available for use by holiday groups
10. Kitchen and toilets must be mopped out before departure
11. BBQ must be thoroughly cleaned

For further information, please contact the Principal

Failure to comply with above cleaning may incur a \$100.00 cleaning fee.

I as representative of the visiting group, understand and will comply with the above rules. I agree to pay the above mentioned costs if rules aren't followed. I understand that noncompliance of these rules may lead to the group or individuals not being welcome to use the centre in the future.
